2) As per the GO dt 25.7.36, the scale prescribed for the IV Class of clerks in Municipalities is 20-1-25. The clerk referred to is appointed only on Rs 20/. In the circumstance the appt of the clerk, no conditions regarding the qualifications to be observed have been specified, but the condition laid down was to make the appointment according to CPS rules which, it appears seemed to treat the post as one on a temporary basis. It may perhaps too much for Municipality to expect that a candidate with the qualifications as required by the Rules to accept an appointment on Rs 20/. In the circumstances, the President has appointed KN Ramchandra who obtained a Rolle Collection in the Ist

on Rs 15/-+5, ~~which is applicable~~ on Rs 20/- in the Special Recruitment from 1 11 41 and it nearly 2 years since he was appointed

3 The Result proposal is to confirm him on Rs 20/ and to treat the next general vacancy as a Special one The Dy. stated that the P.S.C. has written to the DC towards the close of Govt to the effect he might have made a reference to Govt the P S C Secretary may perhaps be consulted if any reference has been received since and if so, to note the stage of the paper for orders

The present proposal of the Deputy Commissioner Tumkur, in respect of one K Ramachandraiah as a IVth Clerk in the Town Municipal Council, Tumkur is contrary to the Rules of Recruitment inasmuch as it involves the appointment of a Brahmin candidate in a Special vacancy It is, however, proposed by the Deputy Commissioner that due compensation in this behalf be shown by treating the next General vacancy as a Special one But

pointed out

~~point~~ in this connection that the unit of the Town Municipal Council being a small one, there is no likelihood of a next General vacancy occurring in the near future The vacancy under disposal is a permanent Special vacancy and it is not fair to allow it to be filled up by a Brahmin candidate

11) Applications for Class II posts have been received in response to the notification If required a few candidates with the additional Typewriting qualification shall be assigned to the unit In these circumstances, I am of opinion that the proposal of the Deputy Commissioner need not be sanctioned

Establishment- appointment of K N Ramachandriah as IV Clerk on Rs 20/- in Tumkur Municipal Office

Sir,

I have the honour to state that Government sanctioned fresh appointment of a clerk on Rs 20/-to the Tumkur Town Municipality in their order No 4854-56/M1 4-41-40 dated 7th October 1941 in response to the resolution of the Municipal Council to enable the Municipal President to have a short-hand Typist,. Pending final arrangements through the Central Recruitment Board, K N Ramachandriah (Brahmin) who was working as Bill collector in the Municipality and who has passed S S L C (L C & P S ) Typewriting (Mysore Senior grade) and short-hand (L C C Elementary grade) was appointed to the post from 1-11-1941 The vacancy was reported to the Secretary, Central Recruitment Board who issued an approve list of candidates assigning 2 names for being appointed in this vacancy But since neither of them knew short-hand and typewriting the Municipal President again addressed the Secretary, Central Recruitment Board and finally one G V Bheema Rao was selected for the post But he did not accept the appointment The Municipal President therefore seems to have addressed the Public Service Commissioner once again intimating that no candidate of the Back-ward community possessing a

knowledge of Short-hand and typewriting is likely to take up the appointment for anything less than R 30/- per mensem, that there is no appointment of that scale in the Municipality and that in these circumstances, K N Ramachandriah who possesses the necessary qualifications may be appointed in the present vacancy and the next general vacancy treated as a Special one

On the representation of K N Ramachandriah to confirm him as clerk on Rs 20/- (in the sanctioned post) the Municipal Council unanimously resolved at their meeting held on 30th March 1942, that necessary exemption may be obtained from Government as a special case, to confirm this official in the above appointment

The Deputy Commissioner Tumkur District has accordingly recommended that the official may be confirmed in the above appointment In these circumstances, I request that sanction of Government may be kindly obtained to appoint K N Ramachandriah as IVth clerk on Rs 20/- and to classify the next general vacancy as a special one

The Service Register of the official and the entire file of records ending with copy of Deputy Commissioner's letter No S1 C 4481/42-43 dated 4th August 1943, accompany
